BROCHURE ART

The brochure art, from the book Mama's Milk by author Michael Elsohn Ross, is used with the permission of the illustrator Ashley Wolff. We sincerely appreciate Ms Wolff's generosity, talent and education of the public about nature.

Here is a little about her:

I am a children's book author and illustrator in San Francisco, CA. I have lived in the same neighborhood and house for almost 18 years and am lucky enough to work right upstairs in an extra bedroom. I am married to a newspaper reporter and the mother of two teenage boys and a border collie named Lucy. I have created over 40 books, all done in Northern CA, but set all over the world, including in my home state of Vermont, where I had a wonderful country childhood. I still love to be outdoors, whether gardening, watching birds or hiking and skiing.

You can visit her website at: <http://www.ashleywolff.com/index.html> and purchase her books from Judy Laird at Treasured Time by calling 1-800-879-5839. Judy almost always carries autographed copies of her books.
